

California Climate Investments Survey Outreach Toolkit

Goal

To provide an easy-to-use outreach tool to help our stakeholders spread the word about the California Climate Investments survey. We know that local, trusted CBO's will be in a better position to help garner responses from community members unaware of California Climate Investments, and we appreciate any support to get the word out!

Outreach Toolkit contains:

- Template Email for individual outreach
- Social Media posts (Facebook and Twitter)
- Digital Flyer (for use with social media or as a standalone flier)
- Short Newsletter Blurb

Email to CBO/Partner Agencies:

Subject: Community priorities and needs survey

Hello [contact name(s)],

I want to make sure you are aware of the California Climate Investments survey to understand community needs and priorities. I think this survey may be of interest to you or other members in your network. [PERSONAL COMMENT]

California Climate Investments is looking to understand how it can further support the development of programs, projects, community and engagement and resources in a way that aligns with the priorities and needs to California's communities and [priority populations](#) in particular.
